SUBJECT: Revision to M&O Contractor Model Subcontract entitled "Standard Research Subcontract (Educational Institution or Nonprofit Organization)"

SUMMARY: This Policy Flash disseminates a minor revision to the M&O contractor model subcontract, which was issued by Policy Flash 2003-03 and last revised by Policy Flash 2005-05.

POLICY FLASH

2005-44

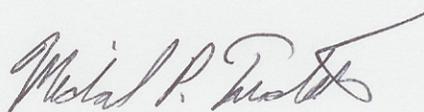

On June 28, 2005, DOE issued a rulemaking on research misconduct effective July 28, 2005. The rule includes a new research misconduct clause that must be incorporated into M&O contracts that include research and development (R&D) work. The new clause includes a flowdown requirement. Therefore, we have revised the M&O contractor model subcontract entitled, "Standard Research Subcontract (Educational Institution or Nonprofit Organization)," to add the new DEAR clause.

This Policy Flash disseminates an errata sheet and a revised version of the Standard Research Subcontract. A word file of the subcontract is available on the DOE Professionals web site at <http://professionals.pr.doe.gov>. Click on "M&O Contractor Standard Research Subcontract" under the Procurement heading.

DOE/NNSA Contracting Officers are directed to ensure that their M&O contractors that perform R&D receive a copy of this Policy Flash.

If you have questions regarding this revision, contact Trudy Wood at 202 287-1336 or by e-mail at trudy.wood@hq.doe.gov.
