TO: Procurement Directors

FROM: Office of Procurement and Assistance Policy, MA-61
Office of Procurement and Assistance Management

SUBJECT: Issuance of DOE M 231.1-1A, Change 2, Environment, Safety, and Health Reporting Manual

SUMMARY: The Department issued DOE M 231.1-1A Change 2, Environment, Safety, and Health Reporting Manual on 6-12-07. Under the Department's Directive Program (DOE Order 251.1B), Heads of Field Elements are responsible for determining which contracts are to include the Contractor Requirement Document (CRD) of this Manual. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this Change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at www.directives.doe.gov.

Questions regarding contracts intended to be affected by the CRD should be directed to the office identified in the "Contact" paragraph of DOE M 231.1-1A Change 2, and questions regarding contract modification should be directed to Helen Oxberger at (202) 287-1332 or helen.oxberger@hq.doe.gov.
