## POLICY FLASH 2007-55

**DATE:** July 25, 2007

**TO:** Procurement Directors

**FROM:** Office of Procurement and Assistance Policy, MA-61  
Office of Procurement and Assistance Management

**SUBJECT: DOE O 153.1 Departmental Radiological Emergency Response Assets**

**SUMMARY:** The Department has revised the Contractor Requirements Document (CRD) to DOE O 153.1, Departmental Radiological Emergency Response Assets on 6-27-07. Under the Department's Directive Program (DOE Order 251.1B), Heads of Field Elements are responsible for determining which contracts are to include this CRD. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at [www.directives.doe.gov](http://www.directives.doe.gov).
