DATE: March 7, 2008

TO: Procurement Directors

FROM: Office of Procurement and Assistance Policy, MA-61
Office of Procurement and Assistance Management

SUBJECT: DOE O 221.1A Cooperation with the Office of Inspector General

DOE O 430.2B Departmental Energy, Renewable Energy and
Transportation Management

SUMMARY: The Department issued Contractor Requirements Documents (CRDs) on February 25, 2008 and February 27, 2008, respectively for the above listed Directives.

Under the Department's Directives Program (DOE Order 251.1B), Heads of Field Elements are responsible for determining which contracts are to include this CRD. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at www.directives.doe.gov.

This Flash may be viewed online at the following website:

Questions regarding contracts intended to be affected by the CRDs should be directed to the office identified in the "Contact" paragraphs and questions regarding contract modification should be directed to Helen Oxberger at helen.oxberger@hq.doe.gov.
