SUBJECT: Greening Considerations under Awards Using American Recovery and Reinvestment Act of 2009 Funding

SUMMARY: Acquisition Letter (AL) 2009-08 provides information and guidance regarding “greening” considerations for projects using American Recovery and Reinvestment Act of 2009 (ARRA) funding at DOE sites. The Department is committed to taking actions to green its ARRA projects, and is issuing this AL to ensure that ARRA funding is used, to the maximum extent practical, to establish “green” processes and supply chains.
